It is our immense pleasure to recommend Neal Agarwal as a commercial and daycare Advisor/ Specialist for any individual or family searching for the ideal school or daycare for their unique situation. We own a school in Sherman, and has been a year and half of our school experience, came across this second school in Plano thru Neal, we had a very great experience owning this pride school in the heart of the city, our experience is a really a history written and never been forgotten in our life and without Neal this joyful Rollercoaster experience of owning this school wouldn't have been possible.

We found Neal Agarwal to be highly attentive, almost as if we were his only customers, although we know that was not the case. He returned all phone calls and emails the same day. We never felt neglected or unimportant. He is also highly personable with an engaging personality. Neal was honest, patient and his advice worked like a charm.

If you want to discuss our experience in more detail please feel free to contact us by email. It was such a great honor to work with Mr. Neal because he actually cared about the children and the community, and by helping us, he truly made dreams come true!

I highly recommend Mr. Neal Agarwal for all of your commercial and daycare real estate needs. He is very professional and his negotiating skills are impeccable!
